You can identify forward-looking statements by terminology such as "may," "should," "expects," "plans," "anticipates," "believes," "estimates," "predicts," "potential," "continue," or the negative of these terms or other comparable terminology. Such forward-looking statements are based on currently available competitive, financial and economic data and management's views and assumptions regarding future events. Such forward-looking statements are inherently uncertain, and investors must recognize that actual results may differ from those expressed or implied in the forward-looking statements. Certain factors could affect the outcome of the matters described herein. This press release may contain forward-looking statements that involve risks and uncertainties including, but not limited to, changes in customer demand for our products and services, including demand by the power generation markets, electrical transmission and distribution markets, the industrial markets, and the metal coatings markets. In addition, within each of the markets we serve, our customers and our operations could potentially be adversely impacted by the ongoing COVID-19 pandemic. We could also experience fluctuations in prices and raw material cost, including zinc and natural gas which are used in the hot dip galvanizing process; supply-chain vendor delays; customer requested delays of our products or services; delays in additional acquisition opportunities; currency exchange rates; adequacy of financing; availability of experienced management and employees to implement AZZ's growth strategy; a downturn in market conditions in any industry relating to the products we inventory or sell or the services that we provide; economic volatility or changes in the political stability in the United States and other foreign markets in which we operate; acts of war or terrorism inside the United States or abroad; and other changes in economic and financial conditions. AZZ has provided additional information regarding risks associated with the business in AZZ's Annual Report on Form 10-K for the fiscal year ended February 29, 2020 and other filings with the Securities and Exchange Commission ("SEC"), available for viewing on AZZ's website at [www.azz.com](http://www.azz.com) and on the SEC's website at [www.sec.gov](http://www.sec.gov). You are urged to consider these factors carefully in evaluating the forward-looking statements herein and are cautioned not to place undue reliance on such forward-looking statements, which are qualified in their entirety by this cautionary statement. These statements are based on information as of the date hereof and AZZ assumes no obligation to update any forward-looking statements, whether as a result of new information, future events, or otherwise.
